## **TimeWise Repair Strategy...THE WINNING RECIPE**

This idea is going to build your customer base, your cash and your team very quickly!

Premise : Schedule 30 TimeWise Repair Parties (TWR Parties) with 6 women in attendance  
6 Attendees purchase TWR Set at \$200 each\* \$1,200  
MK Consultant Profit from each class \$ 600

**Hold 30 TWR Parties/ sell 6 sets @ each party - \$1200 / \$36,000 in sales / \$18,000 profit**

\*NOTE: The TWR set does not include Foundation Primer, Foundation (Luminess or Matte) or the Foundation Brush. The Foundation Bundle would add \$46 to the cost of the set.

## ***TimeWise Repair...The Winning Recipe for Full Circle Success***

At each class you conduct, interview the **HOSTESS** by saying...”I just had a \$1200 party...and booked 2 parties...and made \$600 profit on this class. Would you like to do this with me? If so, then 5 of these clients and 1 of the booked parties are yours if you say, “YES”. What do you think?????”

At each class you hold, find at least **ONE** other person...set her down and show her what you sold and what you earned. Then say, “If you want to partner with me...you will get 5 new clients and 1 booking (I keep the client that I have this booking with).” “You can purchase your starter kit, have 5 clients to start, put an order in for a minimum of 6 TimeWise Repair Kits (\$600 w/s order) and hold your first party!” “What do you think?”
